Do you love music?  
Do you love to dance?  
Come to the Annual Fundraiser, dance the night away and support seniors!!

Tickets are being sold right now for our Annual Fundraiser which will be held on Saturday, April 23, 2016, at the Bonner County Fairgrounds from 3pm-10pm. A sumptuous pasta and salad dinner provided by several local restaurants will be available from 5:30-6:30 pm. There will be outstanding silent auction items, casino games, a raffle for a vacation at a beautiful condo in Hawaii, and SASi's first ever (and possibly, Sandpoint's first ever!) Dance Marathon going on all day during the event! Dancers will dance to the

tunes "spun" by DJ and local musician, Jake Robin. Competitors will have pledges with the proceeds going to support SASi's valuable programs. The cost of a ticket is \$20.00. Or, for a \$10.00 ticket, you may come for the afternoon or evening, dance on the dance floor, watch the marathon dancers, participate in the other activities (this price excludes dinner). Tickets for children under 12 years old are \$10.00 including dinner. Holding this fundraiser at the fairgrounds will give us ample room in which to accommodate more people than in previous years.

Silent auction items will consist of gift certificates, hotel stays, season passes, artworks, handmade items, all donated by local businesses. The raffle for

the condo in Kona, Hawaii has been once again donated by Encoder, Inc. The winner will be drawn at 8pm on the evening of the fundraiser. Tickets for the raffle are on sale for \$5.00 each or \$20.00 for 5 tickets.

This is a community event!! The music will be from the 20s to the present and will go nonstop! Top of the hour breaks will have ballroom dance demos. Please spread the word!

So save the date!! Sign up and compete or just come and have a blast!

## Executive Director's Corner: Ellen Weissman

Spring has sprung! And with it, we can truly enjoy the fruits of our labors out in the parking lot! It is safe and beautiful! I learned so much on that project and am grateful to so many who did so much! (Never in my wildest dreams would I have imagined being excited about a parking lot!)

Having the ribbon cutting celebration last fall shifted our annual fundraiser to the spring. And such a glorious spring has begun that I want to dance to celebrate! How convenient that we will have lots of dancing at the fundraiser!

Did you know that dancing has many positive benefits to health?! It has a wide range of physical and mental benefits

including: improved condition of your heart and lungs; increased muscular strength, endurance and motor fitness; increased aerobic fitness; improved muscle tone and strength; weight management; stronger bones and reduced risk of osteoporosis. Also dancing can improve balance and spatial awareness, coordination, agility and flexibility, physical confidence and

mental functioning! Dancing can be a way to stay fit for people of all ages, shapes and sizes! It is also a great way to build greater self-confidence and self-esteem, social skills and meet new friends!

There are many forms of dance and we'll see some demonstrations at the top of the hours at the fundraiser. Next to the competitor's dance area will be an open dance floor for all ages and types of wiggling! After all, if you can walk, you can dance! No excuses allowed!

Lots of fun awaits us on Saturday, April 23rd at the Fairgrounds! I hope to see you there!

Happy Spring! *ellen*

## DayBreak Center: Spring Is Sprung With Changes

Anne Haynes  
Activities  
Team  
Leader

We don't need to shovel the walk at the DayBreak Center any longer and the crocus are up in the yard! The swallows are back and I saw my first Osprey of the season, both welcome harbingers of spring.

We have two new activity assistants at DayBreak and we are lucky to have both these lovely ladies with us. Lynn Harpe, who is one of the cooks at the Senior Center which puts together the delicious meals for the seniors in house and Home Delivered Meals recipients, is now working with us on Tuesdays. She has lots of experience as a caregiver. We love her bubbly personality and gentle way with the clients. She had the clients laughing as they tried out a new game of 'I Spy' the other day and plays a mean card game.

Adrianne Bellucci brings a delightful, fiery Italian energy and keeps us all on our toes on Wednesdays and Thursdays.

Adrianne has worked with seniors for many years, has taught classes in Spanish, and substitutes in school. She trades Italian phrases with one of the participants, is a wizard at crossword and pulled together an amazing Bunny Cake for Easter out of a pumpkin bread mix that had been donated by Sally, one of our volunteers.

Speaking of volunteers, April is National Volunteer Month. We acknowledge and thank our dedicated volunteers who give us their time, energy, caring, creativity and heart! They join in with games and conversation creating a fun, social environment for our senior participants. The DayBreak experience is much richer because of their presence and efforts.

Due to an Alzheimer's Foundation grant we received, there is new Scholarship money available for seniors who might need some help attending DayBreak Center at the \$10/hour fee. Please call Ellen at 263-6860 or Anne at 265-8127 for more information.

Alzheimer's currently affects 1 in 6 adults under 80 years old and 1 in 2 for adults over 80 years old. Every 67 seconds, someone is diagnosed with dementia.

As a "care-partner," you go through many emotions. Know that you are not alone. Being part of a community of people going through similar experiences can provide you with support, hope and information.

Try it out...Your loved one may stay at the DayBreak Center at no charge while you are at the Caregivers' Support Group meetings with prior reservations.

## Senior Spotlight: Suzi Yeager, Pinochle Player & Arts Lover

This month we are featuring Suzi Yeager who showed up last year wanting to play Pinochle with the group. Suzi has become one of the “gang” so we wanted to include her.

Suzi was raised in Olympia, Washington, second oldest of six children. After a year of college, she headed off to New York City to be a nanny for a family there. Her second year there, she met a friend from Argentina who taught her Spanish so that she could converse with some of the family members that didn’t speak English.

In 1974, Suzi was invited by her sister to join her in Hawaii. She left NYC and went to Oahu intend-

ing to only stay for one semester of college. What was to be only 4 months in Hawaii turned out to be nearly 25 years later. She studied Art for a year before getting hired as a Flight Attendant for Pan American Airlines. Thanks to her being bi-lingual, she was able to travel the world and see many great destinations.

After leaving Pan Am, Suzi got married barefoot on a beach in Hawaii and had three sons. During this time, she managed to get her BA in Sculpture and did three life size sculptures. Suzi moved to Spokane in 1997, and to Sandpoint in 2004 and is now a proud grandmother of two

grandchildren with one on the way! Her youngest son and the kids are still in Hawaii, so Suzi looks forward to her trips back to see them.

Suzi enjoys the arts, gardening, teaching, family, Pinochle, and friends. She’s been a great addition to our SASi family!

## Spring Recipe: Crustless Spinach Pie

By Desiree Aguirre,

Guest Columnist

The days have begun to stretch out, and my taste buds are eager to try new recipes to hearken the arrival of spring. While perusing the Internet, I discovered this fast, easy and tasty recipe for crustless spinach pie.

I remember when cooking a healthy and nutritional meal was a big deal—after all, I had growing children and wanted to ensure that they received all the vitamins and nutrients they needed for their growing bodies. Now that I am usually home alone, cooking has become different. For instance, my grocery bill is less, and I can stretch one meal into two or three

dinners by freezing leftovers.

At first, I found it difficult to prepare meals just for one or two, but by focusing on my own nutritional needs, and deciding to take the same care and energy as I did for my children's meals, I have found new joy, and several new recipes, that keep me healthy and keep my belly happy.

Crustless Spinach Pie, an uncomplicated recipe, doesn't take long to prepare, and results in a delicious and healthy meal that includes the four major food groups. Best of all, it tastes scrumptious.

Ingredients:

2 tablespoons butter

2 eggs (large)

1/2 cup flour

1/2 cup milk (1%)

2 garlic cloves (minced, or 1/2 teaspoon garlic powder)

1/2 teaspoon baking powder

4 ounces mozzarella

2 cups spinach (chopped, fresh)

Preparation:

1. Preheat oven to 350 degrees.
2. Melt butter or margarine in an 8" baking pan.
3. Beat eggs well. Add flour, milk, garlic and baking powder. Pour into baking pan. Stir in cheese and spinach.
4. Bake for 30-35 minutes or until firm and the cheese is slightly golden brown.

# Karaoke & Dance Night Returns April Fool's Day

## GOING BACK

Back in the day, my hair was so shiny,  
My torso was trim, and so was my hiney.

I was so hot!

But now I'm not.

And my boobies became oh, so tiny!  
Cheerleader supreme, I yelled for my team.

I had lots of dates as well.

Now my hair has turned gray,

My back has a sway,

And my body has just gone to hell!

I'm old and I'm fat, and on top of that

I just don't appeal to the men.

Yet I'll say with pride, life's been a great ride

And I'd love to start over again!

*Gayle Williams*

Karaoke is a hit! Over 20 people showed up for an evening of singing and dancing on April Fool's!

Thanks to Rich Speidell and Gayle Williams for setting up the equipment and leading the night! The room was transformed by awesome volunteers and the vocals were fabulous! Again, "When will we do it again?" was the often heard comment! We'll keep you posted!
