

As we begin our 50th year of service to the seniors of Bonner County, once again we are reaching out asking for your help!!

In an effort to combat the social isolation that many of our seniors feel, especially around the holidays, we provide a gathering place for meals, events and activities. We also provide daily visits to homebound seniors on our Home Delivered Meal routes.

With food costs continuing to rise, funding reduced, and demand for our services continuing to increase, we are forced to explore different options to keep our nutrition program working to meet the demand. We do not charge a mandatory amount for any meal served or delivered to any senior. Income or ability to pay are never considered when a senior needs a meal. Your contribution helps us to fulfill our mission of fighting food insecurity for the valued seniors in our community. Thank you for thinking of us.

We Invite you to join us

*Come in and join us for a meal.
Maybe a game of Bunco, Bridge, Pinochle, or Cribbage?
Or our popular Fit and Fall Proof exercise classes?
Stay up to date on all of our activities and special events, including a Donor Appreciation Day, by going to our website www.SandpointAreaSeniors.org*

We need your help!
