

SASi Partners with 7B Gives

LIVE LIFE
Keeping Your Gifts Local

Dear Community Partner,

On behalf of everyone at Sandpoint Area Seniors, Inc. (SASi), we would like to express our sincere thanks for your support this past year. With your help, SASi celebrated our 50th year of service by helping seniors **LIVE LIFE with increased independence and improved quality of life.**

For example, our community member Mary frequents SASi multiple times a week, drawn not only by the meals but also by the warm, inviting atmosphere. Mary enjoys participating in chair yoga and engaging in art classes that allow her to explore her creativity. She cherishes the sense of community SASi fosters and the support this environment provides her, saying, "This is like a second home for me."

SASi begins each year with an inescapable budget deficit. At the same time we receive partial government reimbursement for our nutrition programs, we must rely on foundation and private donations to fund the gap between this reimbursement and the actual cost of the meals and operating costs. This year there is an additional financial threat of reductions in government funding affecting available meal reimbursement funds. In response, SASi is kicking off a new annual fundraising effort—our **LIVE LIFE** campaign.

Your help is needed to continue our commitment to promoting health, emotional well-being, and quality of life from age 50 onward and generate personal experiences of seniors living their best lives in the company of their peers.

Donations to this campaign can be made directly to SASi via check or online at our website, sandpointareaseniors.org. For the first time this year, we will also participate in both the statewide *Idaho Gives* program and *7B Gives*, a new initiative to ensure that funds from our local community support services needed in our area. Donations may be allocated explicitly to SASi at 7bgives.org.

We could not accomplish our mission of promoting food security and social connections for the aging in our community without your help.

Thank you for donating!
